## END OF LIFE ANNOUNCEMENT

### **AM8FX, AM12FX, AM16FX and AM20FX Mixing Consoles**

Please be advised that the Australian Monitor **AM8FX, AM12FX, AM16FX and AM20FX** models have been discontinued in Australia, New Zealand and internationally. We have completed sales of remaining stock and the product is no longer available.

Customers with remaining Back Orders or Hold Stock will be contacted.

Our on-going warranty and support will now enter a closing phase. While warranty will remain unaffected, our service department will continue with repairs only. As new product is no longer available, replacement is not a viable option.

Please ensure that any warranty claims are clearly marked and accompanied with the appropriate documentation which can be found at [www.australianmonitor.com.au](http://www.australianmonitor.com.au).

Currently there are no equivalent Australian Monitor products available. We are working hard to secure a new mixing console range and plan a release early 2017.

Yours sincerely,

**Brad Kivela**
