

END OF LIFE ANNOUNCEMENT:

AUSTRALIAN MONITOR AVREV Wednesday March 12th 2014

Please be advised that the Australian Monitor Power AVREV (and all relevant versions) have been discontinued internationally. We have completed sale of remaining stock and the product is no longer available.

Customers with remaining Back Orders or Hold Stock will be contacted and arrangement for alternatives made.

Our on-going warranty and support will now enter a closing phase. While warranty will remain unaffected, our service department will continue with repairs only. As new product is no longer available, replacement is not a viable option.

Please ensure that any warranty claims are clearly marked and accompanied with the appropriate documentation which can be found at www.australianmonitor.com.au.

The AVREV does not currently have a direct replacement, for more information, please contact your local distributor of Australian Monitor products.

Yours sincerely,
