END OF LIFE ANNOUNCEMENT

MP8 Monitor Panel

Please be advised that the Australian Monitor **MP8** model has been discontinued in Australia, New Zealand and internationally. We have completed sales of remaining stock and the product is no longer available.

Customers with remaining Back Orders or Hold Stock will be contacted.

Our on-going warranty and support will now enter a closing phase. While warranty will remain unaffected, our service department will continue with repairs only. As new product is no longer available, replacement is not a viable option.

Please ensure that any warranty claims are clearly marked and accompanied with the appropriate documentation which can be found at www.australianmonitor.com.au.

The MP8 does not currently have a direct replacement, for more information please contact your local distributor of Australian Monitor products.

Yours sincerely,

Brad Kivela
Product Program Manager
