END OF LIFE ANNOUNCEMENT

MYMTCD

Please be advised that the Australian Monitor **MYMTCD** has been discontinued in Australia, New Zealand and internationally. We have completed sales of remaining stock and the product is no longer available.

Customers with remaining Back Orders or Hold Stock will be contacted and arrangement for alternatives made.

Our on-going warranty and support will now enter a closing phase. While warranty will remain unaffected, our service department will continue with repairs only. As new product is no longer available, replacement is not a viable option.

Please ensure that any warranty claims are clearly marked and accompanied with the appropriate documentation which can be found at www.australianmonitor.com.au.

The closest equivalent Australian Monitor product is the **MYMDABCD**. For more information please visit this [link](#) or contact your local distributor of Australian Monitor products.
