EVPLCO	HPM	Copper coverplate EA
EVPLBL	HPM	Graphite coverplate EA
EVPLPG	HPM	Reflection Rose Gold coverplate
EVPLCH	HPM	Reflection Chrome coverplate

MOUNTING BLOCK BOXES

Try to avoid mounting blocks with an enclosed rear as they are typically shallower than the advertised depth.

IMPORTANT: The VC10, VC25, VC50, VC100 are NOT compatible with these boxes as the depth is too large. Use mounting clips or stud brackets instead.

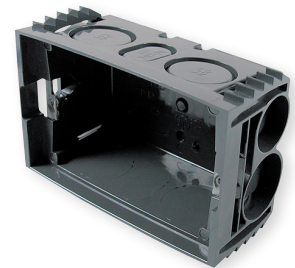

Model	Company	Description	Colour
WBBMD	Hager	32mm deep rectangular back box	White
WBBMD-BK	Hager	32mm deep rectangular back box	Black
6065B	Deta	34mm deep rectangular back box	White
